SHARM EL-SHEIKH
EGYPT 2022

第二十七届联合国气候变化大会 (COP27) 于2022年11月 6-20 日在埃及城市沙姆沙伊赫举办。C Team在创始人王石的带领下再次出发,在大会蓝区中国角 (China Pavilion), 联合伙伴机构以“云集企业力量, 共创零碳未来”为主题举办了中国企业日系列边会, 还在UN场地组织了UN直播边会以及女性主题展。此外, 在大会绿区, C Team设立了企业主题展厅, 企业伙伴们在此以实物、模型和视频等形式展示其绿色转型和气候创新成果。

The 27th United Nations Climate Change Conference (COP27) was held in Sharm el-Sheikh, Egypt, on November 6-20, 2022. Led by its founder Wang Shi, C Team organized a delegation of Chinese enterprises. At the Blue Zone, C Team co-organized side events on the Enterprise Day of the China Pavilion, as well as a UN live session and a women's climate action exhibition, supported by partners.

In addition, at the Green Zone, C Team set up a corporate theme exhibition stand, where corporate partners showcased their green transformation and climate innovations through various visual aids such as products, models and videos.

《2022 企业气候行动案例集》发布

Release of the 2022 Business Climate Action Cases

C Team主任杨培丹在企业日当天介绍案例集的项目价值
Ms. Peidan Yang, Executive Director of C Team, introduces the highlights of cases on the China Enterprise Day

在COP27中国角企业日活动中,《2022企业气候行动案例集》正式发布。2022年,面对全球疫情反复和经济放缓的复杂挑战,中国企业家们坚持低碳减排实践,他们的行动和成果已经有数据呈现,可量化可评估。案例集汇集了优秀企业在各自领域内的前沿转型经验,为行业提供了切实可行的转型路径,有较强的影响力和可推广性。

该案例集由C Team和生态环境部宣传教育中心作为联合发起单位,共同开展了本年度中国企业气候行动案例征集、筛选和传播工作。

The 2022 Business Climate Action Cases was released on the China Enterprise Day at China Pavilion. Despite the constant Covid flare-ups and the subsequent economic slowdowns seen across the world in 2022, Chinese entrepreneurs have been committed to reducing carbon emissions. Their efforts have yielded tangible results that can be measured by data. The featured cases shed light on their companies' practices in their respective fields, offering viable and impactful transformation pathways for other industry players to follow.

C Team and Center for Environmental Education and Communications of Ministry of Ecology and Environment (CEEC) have jointly organized the collection, screening and dissemination of featured climate action cases by Chinese businesses in 2022.

C Team在万科公益基金会和隆基绿能的支持下，携手中国企业气候行动 (CCCA) 在COP27大会绿区开设了企业主题展厅。企业展厅以“云集企业力量，共创零碳未来”为主题，展示了包含新能源、快消、碳管理、生物科技等领域的共计20家企业和项目。

各参展方在为期两周的展期内，以实物、模型和视频等可视化形式展示了在华企业在低碳转型和气候创新方面的成果。

绿区向公众开放，参展企业在此向来自世界各地的绿色企业、国际环保组织及本地机构充分展现其应对气候变化的主张、方法与实践，并与国际同仁展开交流与对话。

C Team, with the support of the Vanke Foundation and LONGi, partnered with China Corporate Climate Action (CCCA) to launch the CCCA Exhibition at the Green Zone of COP27. The exhibition, themed “Corporate Actions for A Net Zero Future”, featured 20 businesses and projects across various industries, including renewable energy, FMCG, carbon management, and biotechnology, etc..

The two-week exhibition presented the accomplishments of Chinese businesses in low-carbon transformation and climate innovation through visual aids such as products, models, and videos.

The Green Zone was open to the public, where exhibitors exchanged their ideas, approaches and practices on climate change with green businesses, international environmental organizations and local institutions.

China Corporate Climate Action (CCCA)

2018年9月, C Team在全球气候行动峰会上联合万科公益基金会、北京市企业家环保基金会等多家机构共同发起中国企业气候行动 (CCCA), 推动企业低碳转型, 参与全球气候治理。迄今, CCCA网络汇聚69个成员伙伴, 其中2022年新增11家CCCA成员单位。CCCA在低碳倡导、行业赋能、国际交流等方面发挥着积极的作用, 影响广泛。

In September 2018, C Team, in partnership with the Vanke Foundation, SEE Foundation, and a number of other organizations, launched the China Corporate Climate Action (CCCA) at the Global Climate Action Summit. The CCCA aims to promote low-carbon transformation among businesses and facilitate their engagement in global climate governance. Since its inception, the CCCA network has brought together 69 member partners, including 11 members who joined in 2022. Today, it is an active and influential participant in low carbon advocacy, industry empowerment, and international exchange.

2022年, 中国企业气候行动(CCCA)项目荣获福特汽车环保奖“应对气候变化行动奖”。

大道气候讲堂企业双碳通识
Climate Hub Lecture on
Basics of Dual-Carbon Targets

2022年6-9月，CCCA平台推出16讲“大道气候讲堂企业双碳通识课”。课程根据CCCA成员机构的需求调研而推出，回应了他们的核心需求，即3060双碳背景下，企业应该了解的双碳入门知识。

From June to September 2022, the CCCA presented 16 sessions of the Climate Hub Lecture on basics of dual-carbon targets. These sessions were developed in response to CCCA members' demand for a better understanding of the basics of China's dual-carbon targets, as the country strives to peak carbon emissions before 2030 and achieve carbon neutrality before 2060.

企业双碳通识课以企业碳中和路线图为核心，详细阐释了中国碳达峰碳中和相关政策体系、碳市场理论基础和发展现状、企业温室气体排放核算标准和核心方法论、企业碳资产管理、不同行业碳排放热点及减排路径、抵消机制发展现状、绿色金融对碳中和的支持等内容。

The lecture is focused on the carbon neutrality roadmap for enterprises. It provides a detailed explanation of the policy system related to China's carbon peaking and carbon neutrality, the theoretical basis and development of the carbon market, the accounting standards and core methodologies of corporate greenhouse gas emissions, corporate carbon asset management, emission reduction pathways across different industries, the status quo of offset mechanisms, and the role of green finance in supporting carbon neutrality.

为提升企业和公众对气候危机的认知，推动中国企业家在应对气候变化中的行动力和国际影响力，王石等企业领袖和环保公益人士于2014年发起应对气候变化企业家联盟（C Team）。2017年5月8日，大道应对气候变化促进中心在深圳正式注册成立，致力于开展公益活动，支持中国企业家成为应对气候变化的行动引领者，推动绿色创新与变革，探索绿色低碳发展模式，促进可持续发展和生态文明建设。

To raise awareness of the climate crisis among companies and the general public, and to promote the action and international visibility of Chinese entrepreneurs in addressing climate change, business leaders such as Wang Shi and environmentalists initiated the China Champions for Climate Action or C Team in 2014. On May 8th, 2017, C Team was formally registered in Shenzhen. It is committed to supporting Chinese entrepreneurs to be action leaders in addressing climate change, promoting green innovation and revolution, exploring a green and low-carbon development mode and promoting sustainable and eco-friendly development.
